

UFO English Use, Focus and Options

The UFO English is Langports' own unique and innovative course. The Course is designed to provide students personalized Langports Study Plan (LSP). Langports understands the difference in proficiency and caters for what you are good at and for what you need more help and attention with. Students are placed at the correct level for their macro skills (Speaking, Listening, Reading, Writing) in Use and Focus classes. Options allows you to take more control and responsibility for your study journey and pathway. You can choose which class you take from a range of "options" and use these classes to help build skills in certain areas. At Langports, we want to make sure that all students get most out of their time and enjoy learning English through classes, friends and activities.

EAP English for Academic Purposes

Offered at our Brisbane, Gold Coast, Sydney schools, Langports' unique English for Academic Purposes (EAP) combines academic preparation with the study of IELTS test techniques in an intensive course. This provides students the opportunity to improve their English skills and has the additional advantage of preparing them for further studies. Students who successfully completed the EAP course may also be able to enter directly into course offered by our partner tertiary institutions.
