### Guidelines:

- ✓ The JPEG version should be used for all electronic applications (website etc) and the EPS version for print (posters, programs etc).
- ✓ The logo must stay in correct proportions and cannot be manipulated. It must remain in its entirety.
- ✓ It can be minimised but must not be less than 13.5mm in height.
- ✓ No boxes are to be included around the logo.
- ✓ Please allow even space around the logo of at least 5mm to 1cm when placing something next to our logo.
