ENGLISH FOR ACADEMIC PURPOSES

How does our English Pathway work?

1. If you are already studying at Langports:

2. If you are not studying at Langports yet:

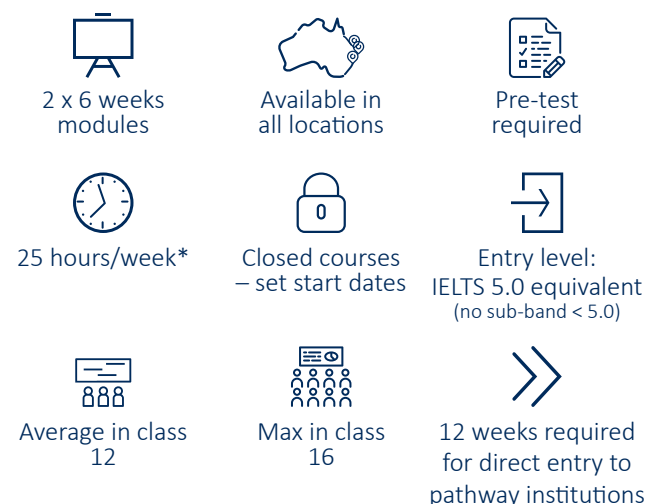

ENGLISH FOR ACADEMIC PURPOSES

Are you planning further studies in Australia?

Langports' EAP course is designed for international students who need an intensive preparation course to take further studies in Australia. It combines the two elements required to enter and succeed in a vocational or tertiary program in Australia: IELTS exam preparation and Academic English preparation.

EAP course content

Over the 2 x 6 week modules, students are taught how to complete tasks and assignments expected at a university level, including:

Module A (6 weeks)

- ✿ Research Proposal
- ✿ 2000 word academic essay
research skills, speed reading, notetaking, drafting, writing, referencing & annotated bibliography
- ✿ IELTS Academic Reading, Listening & Speaking
- ✿ Academic Vocabulary
- ✿ Study & Research Skills

Module B (6 weeks)

- ✿ Individual and group research presentations
students can become confident presenting academic material in front of their class
- ✿ IELTS Writing part 1
- ✿ IELTS Writing part 2
- ✿ Academic Vocabulary
- ✿ Study & Research Skills

EAP is the best choice for students who need to use English in an academic course setting or enter a higher education program at university or TAFE level. EAP students can also join the afternoon Workshops.

*(including 3hrs optional workshops & 2hrs optional activities)

If students do not have the level to enter our EAP course directly, they can study our UFO or IELTS course until they have reached the necessary level.

Some of our partners also accept IELTS, UFO English level 5 or FCE for direct entry. Please refer to the next pages for more information.

ACADEMIC PATHWAYS

After EAP, enter one of our partner institutions directly!

Students who successfully complete Langports’ 12-week EAP course with results meeting our partner schools’ English entry requirements may be able to enter directly into certain programs without having to sit an IELTS test. See how to access these pathways in the following pages.
